

services could be remedial or medical. They restore ability for independent living, socialization, effective life management. I hope we don't get caught downing too much this and that and may and shall, because what...the intent of the bill is to provide services for people with severe, persistent, disabling psychiatric disorders. Nebraska is one of the four states which does not have federal matching funds right now at this time. And I would like to bring Nebraska up into the twentieth century with this bill. It has been supported...752 is supported by Nebraska Advocacy Services, Nebraska Alliance for Mentally Ill, Nebraska Association of Community Mental Health Providers, Nebraska Nurses Association, Nebraska Psychiatric Society and Nebraska Psychological Association and St. Joseph's Hospital Center for Mental Illness. With that, Madam President, I just urge the body to advance LB 752 to E & R Initial. Thank you.
